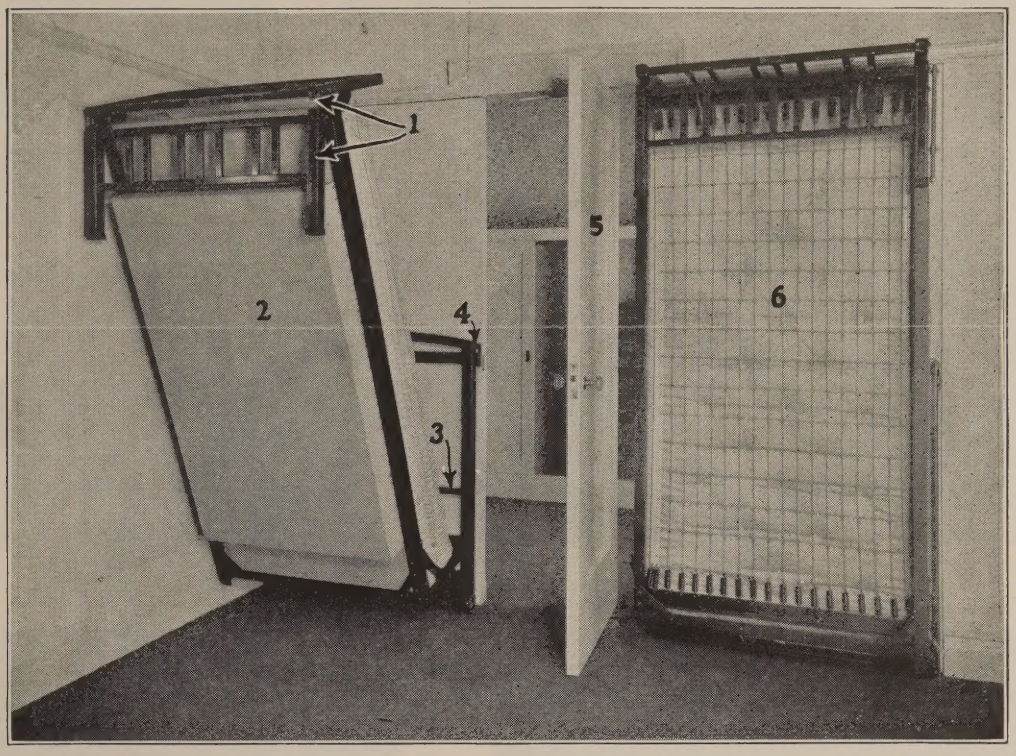
"WHITE" DOOR BEDS
and Space Saving Conveniences



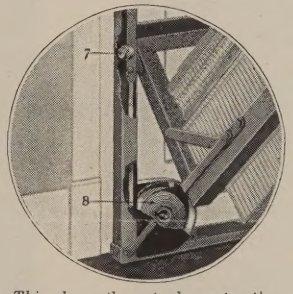
Excluswe Points of Superiority of the "White" Door Bed

1 Automatic lock holds legs rigid and secure. No danger of collapsing. Legs swing automatically into position when bed is raised or lowered. No pulling or adjusting.

2 Full box spring, luxurious and comfortable, set in side rail same as standard metal bed. (Standard equipment).

3 Sliding head board operates on easy moving rollers and holds pillows in position.

4 Bed is held by its own weight in socket plates on each side of door and instantly lifts off door if desired.



This shows the actual construction of the Convolute Sprin, Balance which supports the bed at any angle and permits ease of operation.

5 Panel door can be opened or closed when bed is either up or down, allowing entrance to dressing room at all times.

6 20 Year guaranteed fabric spring with which bed is equipped, if box spring is not desired.

7 Bed operates smoothly and easily on roller inside of head post.

8 The Convolute Spring gives perfect balance, easy operation and greatly increases the strength of the bed.
